

U-BOAT
ITALO FONTANA

CHIMERA IPB MOTHER OF PEARL

Ref.8037

Limited Edition 150 Units

INNOVATIVE CROWN RELEASE SYSTEM (PATENTED) AT 8 O'CLOCK FOR EASY TIME AND DATE SETTING.

MOVEMENT:

U-28 automatic mechanical movement modified and personalized at U-BOAT specifications.

Frequency: 28,800 vibrations per hour, 4 Hz.
Power reserve: 38 hours. 25 jewels.

FUNCTIONS:

hours, minutes, seconds.

CASE:

stainless steel case with subsequent treatment IPB black, diameter 40 mm.

The bezel and the back of the case are locked together by external tubing and a customized key that ensure absolute water resistance.

Personalized rotor, in silver, built with a base and 3 bridges fixed with blue screws.

Oversized crown cover for an easy manipulation, secured on the case, positioned at 9 o'clock, with a patented protective device.

DIAL:

mother of pearl dial. 3 tapered rubies at indexes 12/4/8 (0.43 ct.)

CRYSTAL:

sapphire curved glass on the face and flat on the back of the timepiece, fumé.

WATER RESISTANCE:

100 mt, 10 ATM.

STRAP:

alligator leather. Stainless steel buckle.

CHIMERA GOLD MOTHER OF PEARL
